

Request for Quotes for Executive Training Facilitator Services Notice of Intent to Award (NOIA)

Proposal Evaluation and Selection Information:

ELC electronically noticed ten (10) Executive Leadership Training vendors and posted its Request for Quotes for Executive Training Facilitator Services on its website on November 8, 2024. ELC received nine (9) timely proposals on or before the publicly noticed deadline (November 14, 2024, 6:00 p.m.) and assigned them to an evaluation team (Eval Team) that evaluated each proposal using the same criteria (scoring rubric).

Each proposal received scores from three Eval Team members. After they completed their scoring, ELC summed and averaged the scores and ranked all proposals by their average scores in descending order (highest to lowest).

A Notice of Intent to Award (NOIA) will be sent to the Proposers with the highest-ranking proposal.

Proposals must have a minimum average score of 80 to be considered Eligible for Funding (“Eligible”).

If a Proposer declines their Notice of an Intent to Award (NOIA) or an Agreement cannot be reached during negotiations, ELC may opt to offer a NOIA to the next highest-scoring Proposer until one accepts the award.
